## QUESTIONS?

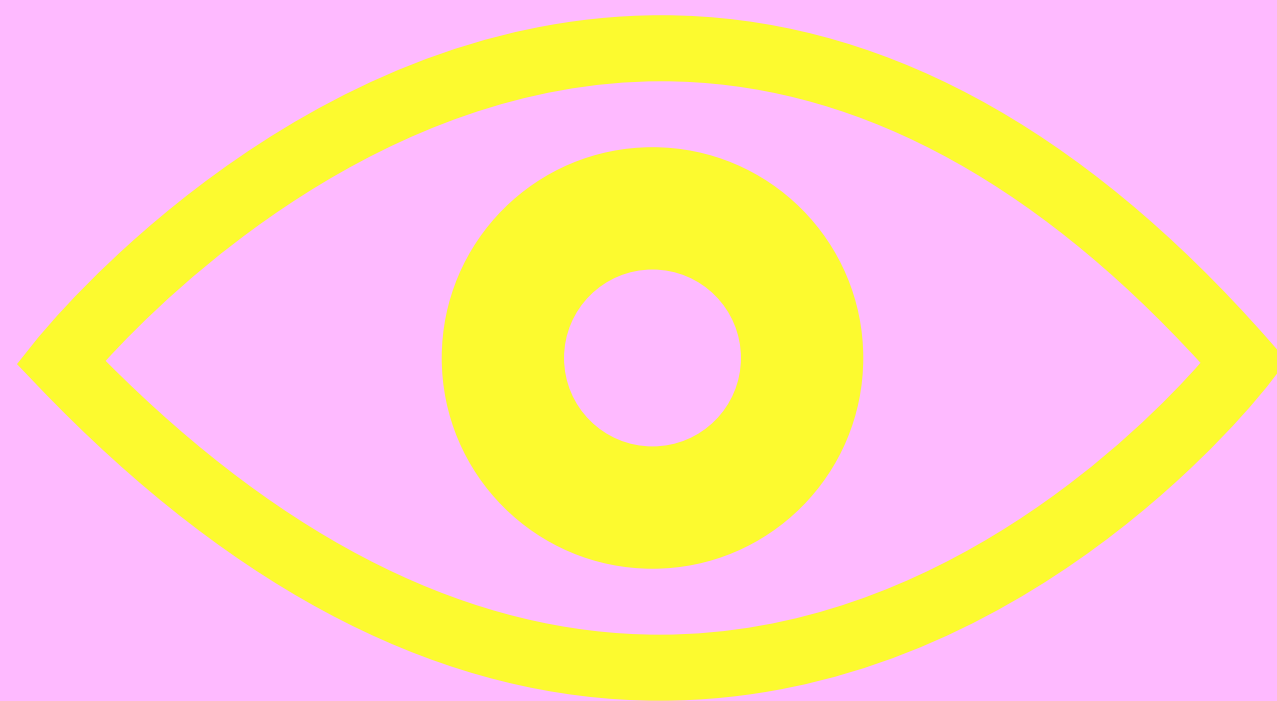

EMAIL ZOE TYLER  
zatyler1@asu.edu

Where do hiccups come from?

What does our **heartbeat**  
say to us?

How do our bodies know how  
to **jump** and **spin**?

Welcome to a  
**curious exploration of bodies!**

Join us to investigate these  
questions (and more) in a  
performance **directly inspired** by  
the ideas, sounds, and movements  
of **very young children.**
