Dates: October 11th - 19th

**Opening: October 11th
at 5:30pm - 7:30pm**

Gallery 100 in Mirabella

Art has long since been used to start conversations. Whether the artist intends to use their craft to have an external or internal conversation doesn't matter. These artists are using their photography to show nuanced moments in time, their painting to converse with their beliefs, their sculpture to show the duality of everything, and their printing to express the interaction between humans and their environments. All of their works speak for themselves.
