

# ASU FLOW 2024

October 21<sup>st</sup>, 2024

PERA Club - Sandhill

1 E Continental Dr., Tempe, AZ 85288

The [Arizona Hydrological Society, Phoenix Chapter](#), and [ASU's Center for Hydrologic Innovations](#) have partnered to bring the water community together to celebrate the start of the new water year. This annual event, held at the Salt River Project's PERA Club this year, is an exciting opportunity for students and researchers to engage with practitioners from the private sector, government agencies, and non-profit organizations. The event includes a researcher poster session, technology lightning talks, and an exhibitor hall and employment fair. A networking dinner and awards ceremony culminate the event. This will also be an opportunity for practitioners to learn about the [Arizona Water Innovation Initiative](#) (AWII) and other efforts addressing our water challenges as well as meet future prospective employees.
