Is the U.S. a pluralistic democracy, or is it a divinely ordained promised land for European Christians? These competing visions of the nation have divided Americans throughout our history. Drawing on his New York Times bestseller, “The Hidden Roots of White Supremacy and the Path to a Shared American Future,” Robert P. Jones will converse with us on how competing American origin stories continue to demarcate the fault lines dividing the country as we head toward the 2024 presidential election.

Copies of “The Hidden Roots of White Supremacy and the Path to a Shared American Future” will be available for purchase and signing at this event.
