VISITING SCHOLAR SEMINAR

Philip Smith, PhD

Senior Researcher, Desmond Tutu Health Foundation

Senior Lecturer, Department of Medicine, University of Cape Town

Philip Smith is a Senior Researcher at the Desmond Tutu Health Foundation and serves as a Senior Lecturer in the Department of Medicine at the University of Cape Town. He completed his PhD in Behavioral Medicine at the University of Cape Town. Dr. Smith specializes in health behavior and public health. His research is primarily aimed at developing and assessing strategies to encourage health-promoting behaviors in limited resource communities. Dr. Smith's work, integrating psychology and behavioral design principles, spans research in HIV testing and prevention, male medical circumcision, and health psychology.

Thursday, October 17th, 2024

10:00 - 11:00am
