Celebrating 30 Years of ADA
All the Way to the Top!

The Americans with Disabilities Act (ADA) became law in 1990. The ADA is a civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the general public. Join us as we look back at the past 30 years with prominent authors for readings, presentations and discussions of your questions.
