Book Discussion Group

Join us for the Book Discussion Group and explore Richard Rothstein's 2017 award-winning book, "**The Color of Law**." Learn how American cities, from San Francisco to Boston, became racially divided as federal, state and local governments systematically imposed policy driven residential segregation. Participate in in-depth discussions with peers, hear from expert speakers, and engage in activities designed to critically examine Rothstein's text and America's history.
