

# Please join us as we officially launch the Center for the Advanced Study and Practice of Hope

The new "HOPE Center" is a collective impact partnership between Arizona State University, T. Denny School of Social and Family Dynamics and Kids at Hope.

It is the world's first research, academic, and community outreach center dedicated to the study and practice of HOPE as a strategy that enriches the lives of children, adults, families, and communities. The HOPE Center will examine the dynamics of HOPE from multiple perspectives including science and culture.
