

Indigenous Culture Week

HEART BEATS

Beatwork and Beadwork Workshop

by Sacramento Knox

Tuesday, April 6, 1:30–3:30 p.m.

In conjunction with **ASU's Indigenous Culture Week**, this workshop is an interactive examination of creating patterns and structure of sounds to create music and lyrics. Facilitated by **Sacramento Knox** (Ojibwe/Anishinaabe and Xicano), he will explore how these elements get woven together to create vibrations that communicate with the hearts of people.
