Fall 2020 Speaker Series

“Building a Dream Team”

presented by **Danna Pratte**

Join **Danna Pratte, founder and CEO of NB Pure**, for an interactive discussion on the importance of people in creating success. Whether you have an established business or are a start up, your team can make or break productivity and success. We'll take about ways to build an amazing team and how to create value with people. Everyone can learn and share, because we all work in and with teams every day.

Danna Pratte is an entrepreneur and wellness enthusiast, activist and educator. She is the founder and CEO of NB Pure, a Phoenix-based nutritional supplement and wellness company. She is a Sun Devil 100, Outstanding Woman in Business and was most recently recognized as one of

the 2020 Most Influential Women in Arizona. She is a mom to two Sun Devils, loves healthy living and is grateful for the opportunity to impact people's lives for the better.

Thursday, October 1, 2020

RSVP at <https://na.eventscloud.com/pratte>

Free to attend. RSVP to receive the Zoom link.

Have a BIG IDEA?

As ASU's first accelerator focused solely on health and health care solutions, the Health Entrepreneurship Accelerator Lab (HEALab) is an interdisciplinary endeavor between Entrepreneurship + Innovation, Edson College of Nursing and Health Innovation, College of Health Solutions, and New College of Interdisciplinary Arts and Sciences to provide an array of resources for innovators who are interested in bringing their health-related business ventures to market.
