Spring 2021 Workshop Series

“Pitch Prep”

presented by **Kristin Slice**

Learn how to translate your big ideas into a pitch - a clear, concise and persuasive presentation that communicates your idea succinctly. Come prepared to this interactive workshop with at least one solid idea for a product, service, business or non-profit organization and be ready to craft it into a winning pitch!

As a professional speaker, **Kristin Slice** has spoken to a variety of audiences around the world about entrepreneurship and inclusion. Currently, she brings her passion for communication to the Edson E+I team as the Sr. Program Manager for Peoria

Forward. Kristin loves helping founders hone their visions into effective fundraising pitches for investors and competitions.

Wednesday, April 14
3 - 4 p.m. (MST)

Have a BIG IDEA?

As ASU's first accelerator focused solely on health and health care solutions, the Health Entrepreneurship Accelerator Lab (HEALab) is an interdisciplinary initiative between J. Orin Edson Entrepreneurship + Innovation Institute, Edson College of Nursing and Health Innovation, College of Health Solutions, and New College of Interdisciplinary Arts and Sciences to empower students, faculty, staff and community members to become health innovators who create real solutions to real problems.
