You’re invited
to ASU’s School of Earth and Space Exploration launch of the Mars 2020 mission!

Thursday July 30 beginning at 4:00 a.m. AZ / PDT

Join Mars 2020 Mastcam-Z principal investigator Jim Bell and his team for live updates prior to launch, live launch narration, and a Q&A with the team, hosted by our school director, Meenakshi Wadhwa.

Space is limited! Register here to reserve your spot. Your registration is confirmation of your RSVP.

For questions about this event, please contact Kim Baptista: Kim.Baptista@asu.edu.

Note: We have an approximate 120-minute launch window. In case of launch postponement, the Webinar will reconvene one hour before the next launch opportunity. A new reminder will be sent with instructions to all current registrants.
