

# Young Authors' Studio

## What is it?

Young Authors' Studio is an awesome opportunity for young writers to come together and learn the ins and outs of writing in a wide variety of styles and genres! Our team of ASU mentors will lead six free writing workshops, guiding students through fun writing activities. We will also be holding a public Performance and Writing Gallery at the end of the program to celebrate our young authors. Whether you're a first-time writer or just looking to sharpen your skills, the Young Authors' Studio is a can't-miss opportunity!
